

## Questions to ask a Holiday Play Scheme Provider

This questionnaire may be useful to you if you take it along with you when you visit any group childcare. There are lots of questions and it may not be necessary to ask all of them – they can merely act as guidelines as to what to ask, or they could act as a springboard for a discussion.

If there are any other issues that you'd like to discuss, do not be afraid to ask. Any good childcare setting will welcome such questions, and staff should be willing and able to answer them.
