

Childminder drop in groups (term time only)

Childminder drop in-groups are a great way to meet other local childminders. You can share ideas and experiences and allow the children to play and interact in a safe environment.

The success of these groups depends on you!

Why not contact me, Julia Senior-Smith, Childminding Development Officer on 020 8566 2524 to take you along to one of these groups and introduce you to other childminders?

Check out your local drop in-group below...
